It's a Shame!

Beau Cassidy

I watch the news in despair
Our world is being damaged, they say
Shocking, almost unfathomable,
People are oblivious.
We expel gas, oil, and ignorance
We kill our verdant partners in breathing
Decimate the denizens of the wild
Ruining our own Everglades. It's a shame!
People are oblivious.
Winters melt, summers scorch
We have trained armies, but untrained men!
People are oblivious.
